What's New?

- * Renews the software icon;

The program icon has been changed to a new style. If you could see the icon on your desktop as below, you have already install the latest version of AthTek Skype Recorder Lite.

- * Fix a little bug in saving recordings;

Paul has purchased and registered AthTek Skype Recorder Lite 1.0. He reported that he could not change the saving path of AthTek Skype Recorder Lite. We have fixed this bug in the latest version and you cannot change the saving path effortlessly to another folder.

- * Compatible with Windows 8.

AthTek Skype Recorder Lite is compatible with Windows 8. Till now, Lite version is compatible with Windows XP/Vista/7/8 both 32- 64-bit systems.

If you are looking for a call recorder for Skype, AthTek Skype Recorder Lite will be a nice choice for you. It doesn't have any garish features in [Skype call recording](#) and plays exactly as a call recorder on your computer.
