## **What's New?**

### **\* FaceBook, Twitter and Google Bookmark button added;**

We have added some popular social media links to the new AthTek Skype Recorder. You can now use these social media links to share your experiences in using AthTek Skype Recorder. If you want to send a feedback to us, you can also use these social media links including FaceBook, Twitter and Google+.

### **\* Notification content changed;**

Previously the content of auto notification would notify the contact that you wanted the Skype call. In the new version, your contact will be asked to answer your call immediately.

### **\* Video call recording quality optimized.**

We have optimized the video recording quality. You can now choose to [record Skype calls](#) in higher resolution videos.
