

# AthTek Skype Recorder has been included into Skype App Directory

**AthTek Skype Recorder** has been included into **Skype App Directory** since June 20. This means you can now download and try AthTek Skype Recorder for free in Skype's shop! Go to [Skype App Directory](#) to find AthTek Skype Recorder now!

[AthTek Skype Recorder](#) was called "AthTek Video Call Recorder" in Skype App Directory. It was quite new to Skype App Directory and it was listed under Call recording (audio & video) sub-directory. AthTek Skype Recorder has been awarded as "Top Paid" in Skype Shop and was certificated by the editor of Skype App Directory.

If you used Skype a lot you would probably know Skype App Directory. AthTek Skype Recorder is the audio and video recorder you should never miss in Skype Shop. We only have 3 comments for our Skype Recorder in App Directory. If you have any suggestion or commends please don't be hesitated to leave a message to us in Skype App Directory. We would love to provide considerable discount coupons to the one who review us in Skype App Directory!
