Pay with your PayPal account, a debit or credit card via PayPal.

When you have completed the payment, you will automatically access a web page which asks you to input the Skype ID or PC Code to generate the license key. Please install AthTek Skype Recorder to your computer and allow its access to Skype ([how](#)). You will be able to obtain exactly the Skype ID and PC Code in registration window of AthTek Skype Recorder. Copy the Skype ID or PC Code to clipboard if you want an ID or PC based license.

Register AthTek Skype Recorder

Paste the Skype ID or PC Code to the web page then click to generate the license key. Your license key will be displayed instantly on that web page. Please make a backup of your license key. If you need to register AthTek Skype Recorder again, you will need it for authorization. Also you can ask us for help if you lost the license key. With your transaction ID, we would be able to find your order in our record and resend the license key to you manually. If you didn't access the web page to generate an instant license key, please [send your Skype ID or PC Code to us](#) and we will generate a license key for you manually ([how](#)).

When you contact us through email, you'd better use the same email address which you used in payment. Otherwise you should attach your transaction ID to the email. We cannot identify which order is yours without knowing your email address or transaction ID. So that please get us know about that in your message for further troubleshooting. We will get back to you within 0-12 hours. You can also add AthTek to your Skype contacts list for a possible quick response.
