

How to Register AthTek Skype Recorder Lite for Lifetime Skype Call Recording

AthTek Skype Recorder Lite is a basic version of the pro version. It can record Skype call in high quality audio file for foreign languages learning and [Skype interview](#). The license for AthTek Skype Recorder Lite is associated to Skype ID. You will be asked to input your Skype ID to generate an instant license key. With a full version of AthTek Skype Recorder Lite, you are allowed to record Skype chat of the Skype account on any computer. If you have an ID-License for [AthTek Skype Recorder Pro](#), you can also register AthTek Skype Recorder Lite with your license. In the following article, you will read how to register AthTek Skype Recorder Lite for lifetime Skype call recording.

Install [AthTek Skype Recorder Lite](#) to your computer and allow its access to Skype. If it was the first time you run AthTek Skype Recorder Lite on this computer, you will be asked to allow its access to Skype. After

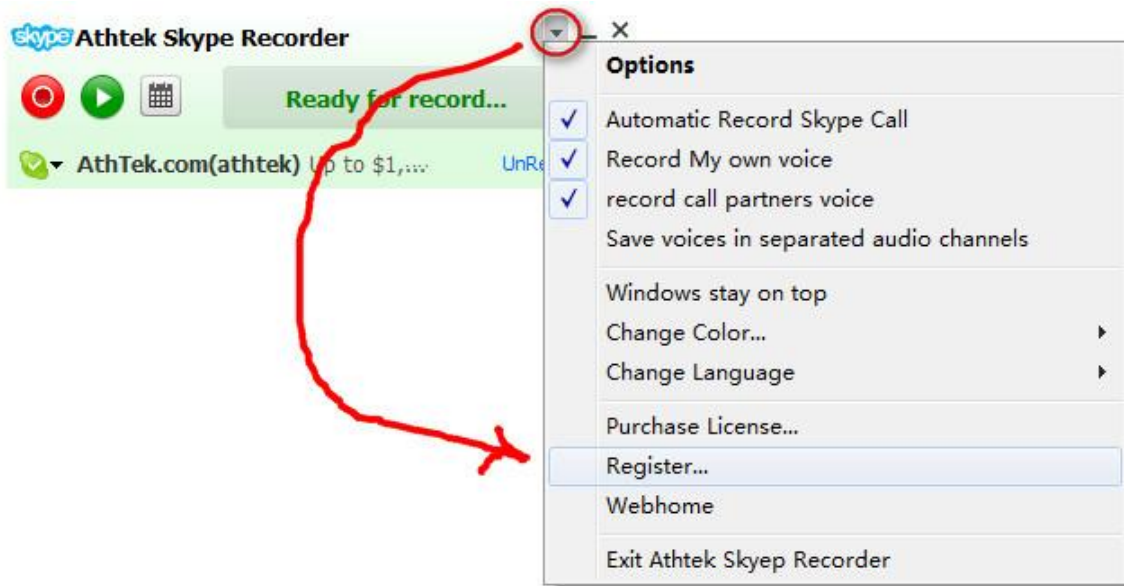

that, you will be able to see your Skype ID in the registration window.

Click the “UnRegistered” link on above image and you will go to the purchase page of AthTek Skype Recorder Lite. You can get a lite license for your AthTek Skype Recorder Lite. The regular price is \$15. You will be asked to input your Skype ID to generate a license key instantly. You can buy it now in our [Holiday Deals 2014](#) which can save 20% from the regular price. If you didn't get an instant license key after payment, please contact us with your order email or transaction ID and we will generate the license key for you manually.

Now you already have the license key, you can register AthTek Skype Recorder Lite for lifetime Skype call recording. Please open AthTek Skype Recorder Lite and click on [Register] in the drop down arrow. Please don't click on the “UnRegistered” link, this link will open the purchase page not the registration window. You can now input the license key to activate your license. You will be asked to restart AthTek Skype Recorder Lite to activate your license. When you open AthTek Skype Recorder Lite next time, you will be able to use

the full version.

Please note that, AthTek Skype Recorder Lite can only record audio call for Skype. If you want to record video call, you need to [upgrade your license](#) to pro. We will generate a new license and send the download link to you. It will cost \$19 before you can get the new license.
