[Download Skype Voice Changer V2.2 for Free](#)

What's New?

* Includes Polish language interface;

Thanks to **Maciej Kotleszka** who provide the Polish translation to us. People who comes from Polish now can set Skype Voice Changer to Polish since version 2.2.

As always, **Maciej Kotleszka** has already received a free license key to Skype Voice Changer for free. We are in urgent need of other languages too. If you can help us translate Skype Voice Changer to French, Italian or Spanish, please contact us. A free lifetime license is waiting for you!

* Correct some typos in multiple language interfaces;

We have corrected some typos in multiple language interfaces as well as the link address.

* Supports to compress the file size of recordings.

We have found a way to reduce the file size of recording. The final file size will be compressed to no more than 50% of before.

The new version was available since May 13, 2013. The default download link was already renewed to the latest one. Skype Voice Changer can not only change your voice pitch to male or female tendency, but also send out [funny sound emotions](#) to your friends. If you have ever dreamed to play tricks with alternative voice pitch to your friends, this Skype Voice Changer would be a nice try.
