Also see the instructions on below image:

Option 1 & 2: your advert content will be displayed on the top banner. All of our customers will see it and click on it if they have interests. This is the most effective way to promote your business.

Option 3: we will put your website url into the box in front of the 'Go to' button. You'd better have a short and meaningful domain name for your website. If the customer wants to know more about you, they click the button and your web page will be translated to their language. Magical, isn't it?

Option 4: your website will be included into the cool site list. Those potential customers will access to your site from here. You don't

need to pay any additional free like PPC and you will win great traffic from this entry.

If your business is language school, travel agency or e-magazines, that would be perfect! We can help you fast reach your potential customer all over the world. Even you just want the world knows who you are, you can advertise yourself on this widely used **free desktop translator!**

Want to gain your first pot of gold from the world's greatly growing markets like China or India? Want to make money from the world's richest men in the Middle East? Advertise on the **free Google Desktop Translator**, and you will get what you want!
