Through PayPal (Recommended):

Buyers can click on the buy now link directly to get an instant license key. When the payment has been paid, a key generator page will be opened automatically. On the key generator page buyers will be asked to fill in a Skype ID or Machine Code to generate an ID-License or PC-License instantly. In my previous post you can read [how to choose the license](#). After that, buyers will get the license key instantly on that page.

Through RegNow:

RegNow is an US based company belongs to Digital River. If buyers don't want to pay through PayPal, RegNow could be an alternative choice to get a lifetime license for Skype Voice Changer. Buyers will be asked to send a Skype ID or Machine Code to regsys@athtek.com, and the license key will be replied to the buyer within 12 hours. Please note that buyers cannot

get an instant license key after payment.
